Dear Parent/Carer,

Didbook – Tracking and Reporting

We know that parents/carers want to take an active interest in their child's learning and to support their progress. We use an online tracking and monitoring system, **Didbook**, to communicate with parents/carers about their child's progress in their learning.

At key points throughout the academic year, we will contact parents/carers to make them aware that their child's tracking report has been updated and is available to access on Didbook.

The following link will provide you with a step-by-step guide on how to access your child's tracking report.

The link to Didbook can be accessed on the school website via this link:

When you log into Didbook, you will see a welcome message from Mr Belford, Headteacher. Once you click your child's name to access their tracking report, you will be able to view information which will support your understanding of the data recorded in the tracking report.

S1 parents will be contacted in due course related to their access to Didbook.

If you do not have a device to access Didbook online, please contact the school on 01383 602403 and we will organise emailing a copy of the report to you.

An overview of Tracking Reports and Parents' Evenings timeline is shared with you on the next page.

If you have any concerns about your child's progress at any point across the academic year, or have any issues with accessing Didbook, please do not hesitate to contact the school to discuss further.

Yours sincerely,

Y Beveridge
